# Thesis Adviser and Student Agreement

The purpose of the Adviser and Student Agreement is to set clear expectations for both the student and faculty adviser for the honors thesis process.

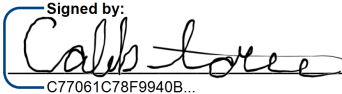

**To the faculty adviser:** It is important to remember that the thesis project is being completed by an undergraduate student who is likely enrolled in a full load of courses. While we hold honors students to high academic standards, we must also not expect the sort of work we would from a graduate student or a student dedicating all of his or her time to a single project. For many students, this is their first in-depth introduction to research specific to their academic interests and fields of study. Please ask the student questions regarding their weekly schedules and set clear expectations regarding time and effort. If you plan to publish and/or present results that derive from this project, please acknowledge and recognize the student’s contributions.

**To the thesis writer:** Please remember that your faculty adviser and other panel members are volunteering their time, effort and perhaps physical space as they serve in their roles. You are expected to maintain clear and courteous levels of professionalism and follow all ethical guidelines associated with any certifications or trainings necessary for your project. Remember to convey deadlines and timelines sooner rather than later, and inform your adviser well in advance if you must change your schedule. A lack of planning on your part does not constitute an emergency or hurried response on your faculty’s part. You are also expected to communicate clearly with your adviser and panel members and demonstrate commitment to your project. Before submitting your work for conferences, presentations, and/or publication, you must receive written approval from your adviser. Ask your adviser clear and concise questions throughout the whole process.

Your signatures below acknowledge your agreement to these guidelines. Thank you!

## **CONSUMER DISCLOSURE**

From time to time, Augusta University (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures

electronically from us.

**How to contact Augusta University:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: [swright@augusta.edu](mailto:swright@augusta.edu)

We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system.

**To request paper copies from Augusta University**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to [swright@augusta.edu](mailto:swright@augusta.edu) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

- ii. send us an e-mail to [swright@augusta.edu](mailto:swright@augusta.edu) and in the body of such request you must state your e-mail, full name, US Postal Address, and telephone number.
